No. 5273), the Court's Civil Minutes dated March 7, 2017 (Dkt. No. 5338), the Court's Civil Minutes dated June 13, 2017 (Dkt. No. 5423), the Court's Civil Minutes dated October 11, 2017 (Dkt. No. 5476), the Court's Civil Minutes dated January 17, 2018 (Dkt. No. 5525), the Court's Civil Minutes dated April 25, 2018 (Dkt. No. 5589), and in advance of the Court's next Status Conference, which is set for July 31, 2018 at 8:00 a.m., Plaintiffs' Co-Lead Counsel for the Personal Injury/Wrongful Death Cases and members of the Plaintiffs' Liaison Counsel Committee for the Personal Injury/Wrongful Death Cases (collectively "Plaintiffs' Co-Lead Counsel") and counsel for Defendants Toyota Motor Corporation and Toyota Motor Sales, U.S.A., Inc. hereby respectfully submit this Joint Status Report Regarding the Intensive Settlement Process (the "ISP"). The ISP is continuing to make good progress as the parties attempt to resolve the various personal injury, wrongful death and/or property damage cases pending before this Court and in other courts.¹

I. Current Settlement Status

¹ The Court's Order Establishing Intensive Settlement Process ("ISP") and Setting Hearing (Dkt No. 4490) (the "ISP Order") was confirmed and adopted at the hearing held on January 14, 2014 and memorialized in the Court's Civil Minutes – General dated January 14, 2014 (Dkt No. 4504). A similar order was issued by Judge Edmon in Toyota Motor Cases, Joint Council Coordination Proceeding, No. 4261 (Superior Court of Los Angeles County, CA) (the "JCCP Proceeding").

1 Toyota is pleased to report that they have resolved, or have agreements in
2 principle to resolve, 502 matters.² Of this number, Toyota notes that 175 cases
3 (94%) are/were pending in the MDL (out of 187 total personal injury cases in the
4 MDL) and 91 cases (83%) are/were pending in the JCCP (out of 110 total personal
5 injury cases in the JCCP). According to Toyota, for the remaining 12 cases, or 6%,
6 pending in the MDL, all have requested ISP. Toyota reports that, for the remaining
7 19 cases, or 17%, pending in the JCCP, only 1 has not yet requested ISP. Plaintiffs'
8 Liaison Counsel is contacting counsel in this case to encourage participation in the
9 ISP.

10 Significantly, there are currently only five³ MDL cases and one JCCP case
11 that have gone through the entire ISP process that have been certified by the
12 Settlement Special Master as completing the process without resolving. Two other
13 JCCP cases and two other MDL cases that were previously certified out returned to
14 the ISP and subsequently resolved. Attached as Exhibit A is a chart that provides a
15 greater breakdown by category for the ISP.

16 Overall and through the efforts of all parties, including, but not limited to,
17 Plaintiffs' Co-Lead and Liaison Counsel, Toyota advises the Court that it has
18 agreements in principle to resolve 236 matters outside of the MDL and JCCP
19 Proceedings.⁴

20 **II. ISP Overview**

21 Since the issuance and adoption of the ISP Order,⁵ Toyota's counsel have
22

23 ² All resolved case numbers have now been updated to include those matters that
24 have been voluntarily dismissed or are no longer being pursued by counsel.

25 ³ This number includes Alvarez-Cabrera, which has since been remanded to the
26 District of Puerto Rico.

27 ⁴ As of December 6, 2017, plaintiffs in approximately 11 unresolved matters outside
28 of the MDL or JCCP Proceeding have requested to participate in the ISP and a
majority of these plaintiffs have already provided records and materials necessary
to move forward.

⁵ The court overseeing the Texas state MDL proceeding in In re: Toyota Unintended
Acceleration Litigation, Cause No. 2010-46354 (152nd Judicial District, District
Court for Harris County, Texas) (the "Texas MDL Proceeding") has issued its own

1 had extensive and intensive negotiations with plaintiffs' firms representing a large
2 number of plaintiffs and claimants. These efforts have included numerous face-to-
3 face meetings with plaintiffs' counsel (including Plaintiffs' Co-Lead Counsel) in
4 cities around the nation. These negotiations continue.

5 Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel are in regular
6 contact with Counsel for Toyota and have been since the inception of the ISP.
7 Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel encourage
8 plaintiffs' counsel and pro se plaintiffs in all courts to participate in the ISP and
9 assist those counsel and pro se plaintiffs to understand and navigate it. Toyota has
10 provided Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel with
11 various lists of counsel having UA cases throughout the country in order that
12 Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel can identify those
13 counsel and initiate contact with them.

14 Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel have sent
15 numerous emails and memos following the materials sent by the Special Master,
16 and have calls with counsel in UA cases to discuss their participation in the ISP.
17 Plaintiffs' counsel in UA cases oftentimes contact Plaintiffs' Co-Lead Counsel and
18 Federal/State Liaison Counsel for procedural guidance on their cases, which is
19 freely given. Due to the open line of communication between the parties, Plaintiffs'
20 Co-Lead Counsel and Federal/State Liaison Counsel are able to ascertain the status
21 of cases in the ISP for individual counsel. Additionally, access to the electronic
22 depository is given to those counsel with active UA cases, if requested and if the
23 required protective order process is followed.

24 Plaintiffs' Federal/State Liaison Counsel maintain an extensive database of
25 every UA case and counsel's contact information in order to have ready access to

26
27 ISP order. This order, which was issued on February 18, 2014, is substantially
28 similar to the one issued by this Court. The Texas court also appointed Patrick A. Juneau as the Settlement Special Master in that litigation to perform essentially the same tasks there as he performs in this MDL.

any information on the UA case when individual counsel contacts Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel.

Counsel for Toyota has been and will continue to seek the input of Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel and negotiate in good faith with remaining plaintiffs' counsel in attempts to resolve cases both informally/in advance of, and at the ISP settlement conferences and/or mediations. Pursuant to the ISP Order and with Plaintiffs' Co-Lead Counsel and Federal/State Liaison Counsel's assistance, where possible, the ISP settlement conferences are first addressing bellwether plaintiffs, bellwether plaintiffs in the discovery pool and those plaintiffs with exigent circumstances.
